Dear Jennifer,

Regarding November 16 conference, Takimoto-san would like to appoint Nick as MCC's authorized representative with authority to settle with GI. We will advise you of the settlement terms we can accept.

By the way, I would like to know exactly what has happened during the last one month. Please cooperate with me to understand.

And I am requesting you to give us a weekly update on this case from now on. Thank you for your continuous support on this litigation.

Also, I wait for your detailed guidance about the initial discovery.

Best regards,
Tomoji
